Dear Honorable Judge Abrams;

I am respectfully again writing you, I was told by my Mother, that this has not been received by you please see below!

I am not sure how to address this, but i feel i need to bring this to your attention. My medical issues are getting much worse. When you resentenced me back in May of 2023, you ordered MDC/BOP, not to move me before I was seen by medical for my 3 outside appointment, BOP moved me in less then a week of your order, and to this date I still have not been seen by the outside Dr's appointments, I now have 4 of them. I am getting worse, these medical issues have been going on for over 6 years now, some longer than that, I don't know what to do at this point, But I am suffering daily. your Honor, you have ask/recommended the BOP to send me to NC camp Butner for my medical issues ( and to be closer to my family that I have not seen in 10 years ) for this very reason. Can you please help me?

My family and I have tried contacting my attys about these issues!

I hope this finds you and your family doing well.

Regards

Adam

Dear Honorable Judge Abrams;

I am respectful writing to you again about some of my property, First off please let me thank you for your help, I did receive the reimbursement of \$300.00 dollars, and a good portion of my property, thank you very much for that.

I tried contacting my atty, and my family has also tried to reach out to him about these issues trying not to waste your time or the courts. I am following up with you for the 2 firearm's and 2 suppressors that are still being held by the government. They are 100% legally owned, with all the federal tax stamps and proper paper work! My family and I do not know what to do at this point, or who to contact?

Once again thank you for your help.

I hope this finds you and your family all doing well!

Regards

Adam
